The 2017 New Apple Book Awards

Excellence in Independent Publishing

The most effective way to gain credibility and publicity for your book is through positive reviews and accomplishments. New Apple's Annual Book Awards for Excellence in Independent Publishing were established to honor the creative achievements of the unsung books fighting for their place within the publishing world.

Any English language book published within the last three years, currently available for sale by an independent author or small press that meets the Awards' guidelines is eligible for entry. This includes E-Books, print-on-demand and self-published works. 'Medalist Honors' and 'Official Selections' will be awarded to winners in 60 fiction and non-fiction categories open to entries in Print, E-Book and Audiobook format. All entries are eligible for three Overall Categories.

Early Bird Entry Deadline - May 1, 2017 - \$40 per entry for first category / \$20 for each additional category

Standard Entry Deadline - September 1, 2017 - \$50 per entry for first category / \$25 for each additional category

Final Entry Deadline - December 1, 2017 - \$70 per entry for first category / \$35 for each additional category

Eligibility:

- Books must be English language and have publication dates between January 1, 2015 and December 1, 2017
- Books must be for sale either online or off and accessible for readers in the North American market.
- Books must be either self-published, through a paid publishing service, or associated with a small independent press (defined as releasing less than 25 novels per year).
- The New Apple Book Awards selection committee reserves the right to determine the eligibility of all entries.
- Books in print and E-Books are eligible for all categories, except the Audiobook specific category, unless an Audiobook format is available and submitted in addition to a printed Book or E-Book.
- Books must be available in the Audiobook format and submitted in audio form to be eligible for Audiobook specific categories.
- Books must be available in the E-Book format and submitted in digital form to be eligible for E-Book specific categories.
- New Apple employees and members of the New Apple Book Awards independent panel of judges are not eligible for entry.

Selection Guidelines:

- Each category that receives eligible entries will have a solo 'Medalist Winner' as selected by the category's independent panel of judges. *In some cases, the category's panel of judges will also choose up to three 'Official Selections' when they feel the books merit recognition. When the panel of judges are unable to come to a clear decision on which book should be selected as the solo 'Medalist Winner', a secondary panel will be asked to judge the first panel's 'Official Selections' to pick the solo 'Medalist Winner'.*
- The 'Medalist Winner' of each category will receive 25 silver foil New Apple Winner medallions for cover placement (with the option to purchase additional stickers through our online store), high resolution digital format New Apple Winner medallion (for cover placement, winner's website or promotional materials), a New Apple Winner's Certificate suitable for framing and a year's worth of online exposure through NewAppleLiterary.com and the official New Apple twitter feed (@NewAppleAwards). Each 'Medalist Winner' will be announced individually through press releases distributed by New Apple Literary Services.
- The 'Official Selections' of each category will receive high resolution digital format New Apple Official Selection medallions (for cover placement, winner's website or promotional materials), a New Apple Official Selection Certificate suitable for framing and a year's worth of online exposure through NewAppleLiterary.com and the official New Apple twitter feed (@NewAppleAwards).
- All accepted entries are eligible for the Overall Categories: 'Best New Fiction', 'Best Cover Design', 'Spirit Award'.
- Winners of Overall Categories will receive commemorative awards and special distinction honoring their achievement.
- All books are judged by an independent panel of judges. We do not publish the names of our judges to protect their privacy.

Official Rules:

- All Final entries and their payments must be received no later than December 1, 2017.
- All Standard entries and their payments must be received no later than September 1, 2017.
- All Early Bird entries and their payments must be received no later than May 1, 2017.
- All entry payments must be in USD.
- Make all checks payable to "New Apple" or pay online with MasterCard, Visa, Discover or AMEX.

- All 'Medalist Winners' and 'Official Selections' will be notified by email by Feb 15, 2018.

Submission Rules:

- Each book can be entered into no more than ten categories. *In the event that a book is selected for honors in two or more categories by two or more different panels of judges, the book will receive the award that is highest (Medalist versus Official Selection). If the honors are equal or are in three or more categories, the book will receive the award that the panel decides best suits the book. All decisions are final.*
- Limit to one Overall win and one category win per entry.
- No physical book entries will be returned.
- All shipping and handling costs must be covered by the entrant.
